(b) 24 CFR part 84. The provisions of 24 CFR part 84 apply to guaranteed loans under this part.

(c) Lead-based paint. Housing assisted under this part is subject to the lead-based paint requirements described in part 35, subparts A, B, E, G, and R of this title.

(d) Labor standards—(1) Davis-Bacon. All laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with Guaranteed Loan Funds under this part shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a–276a–5). This paragraph shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

(2) Volunteers. The provisions of paragraph (d)(1) of this section shall not apply to volunteers under the conditions set forth in 24 CFR part 70. In applying part 70, loan guarantees under this part shall be treated as a program for which there is a statutory exemption for volunteers.

(3) Labor standards. Any contract, subcontract, or building loan agreement executed for a project subject to Davis-Bacon wage rates under paragraph (d)(1) of this section shall comply with all labor standards and provisions of 29 CFR parts 1, 3 and 5 that would be applicable to a loan guarantee program to which Davis-Bacon wage rates are made applicable by statute.

§573.10 Fees for guaranteed loans.

(a) No fees will be assessed by HUD for its guaranty of a loan under this part.

(b) The lender may assess the Borrower loan origination fees or other charges provided that such fees and charges are those charged by the lender to its other customers for similar transactions, and are no higher than those charged by the lender for similar transactions.

§573.11 Record access and record-keeping.

Records pertaining to the loans made by the Financial Institution shall be held for the life of the loan. A lender with a Section 4 Guaranteed Loan shall allow HUD, the Comptroller General of the United States, and their authorized representatives access from time to time to any documents, papers or files which are pertinent to the guaranteed loan, and to inspect and make copies of such records which relate to any Section 4 Loan. Any inspection will be made during the lender’s regular business hours or any other mutually convenient time.

§ 574.3 Definitions.

The terms Grantee and Secretary are defined in 24 CFR part 5.

Acquired immunodeficiency syndrome (AIDS) or related diseases means the disease of acquired immunodeficiency syndrome or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome, including infection with the human immunodeficiency virus (HIV).

Administrative costs mean costs for general management, oversight, coordination, evaluation, and reporting on eligible activities. Such costs do not include costs directly related to carrying out eligible activities, since those costs are eligible as part of the activity delivery costs of such activities.

Applicant means a State or city applying for a formula allocation as described under §574.100 or a State, unit of general local government, or a nonprofit organization applying for a competitive grant as described under §574.210.

City has the meaning given it in section 102(a) of the Housing and Community Development Act of 1974 (42 U.S.C. 5302).

Eligible Metropolitan Statistical Area (EMSA) means a metropolitan statistical area that has a population of more than 500,000 and has more than 1,500 cumulative cases of AIDS.

Eligible person means a person with acquired immunodeficiency syndrome or related diseases who is a low-income individual, as defined in this section, and the person's family. A person with AIDS or related diseases or a family member regardless of income is eligible to receive housing information services, as described in §574.300(b)(1). Any person living in proximity to a community residence is eligible to participate in that residence's community outreach and educational activities regarding AIDS or related diseases, as provided in §574.300(b)(9).

Eligible State means a State that has:

(1) More than 1,500 cumulative cases of AIDS in those areas of the State outside of eligible metropolitan statistical areas that are eligible to be funded through a qualifying city; and

(2) A consolidated plan prepared, submitted, and approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part. (A State may carry out activities anywhere in the State, including within an EMSA.)

Family means a household composed of two or more related persons. The term family also includes one or more eligible persons living with another person or persons who are determined to be important to their care or well being, and the surviving member or members of any family described in this definition who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death.

Low-income individual has the meaning given it in section 853(3) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Metropolitan statistical area has the meaning given it in section 853(5) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Nonprofit organization means any nonprofit organization (including a State or locally chartered, nonprofit organization) that:

(1) Is organized under State or local laws;
(2) Has no part of its net earnings in-{

juring to the benefit of any member,

founder, contributor, or individual;

(3) Has a functioning accounting sys-

tem that is operated in accordance

with generally accepted accounting

principles, or has designated an entity

that will maintain such an accounting

system; and

(4) Has among its purposes signifi-

cant activities related to providing

services or housing to persons with ac-

quired immunodeficiency syndrome or

related diseases.

Non-substantial rehabilitation means

rehabilitation that involves costs that

are less than or equal to 75 percent of

the value of the building after rehabili-

tation.

Population means total resident popu-

lation based on data compiled by the

U.S. Census and referable to the same

point in time.

Project sponsor means any nonprofit

organization or governmental housing

agency that receives funds under a con-

tract with the grantee to carry out eli-

gible activities under this part. The se-

lection of project sponsors is not sub-

ject to the procurement requirements

of 24 CFR 85.36.

Qualifying city means a city that is

the most populous unit of general local

government in an eligible metropolitan

statistical area (EMSA) and that has a

consolidated plan prepared, submitted,

and approved in accordance with 24

CFR part 91 that covers the assistance

to be provided under this part.

Rehabilitation means the improve-

ment or repair of an existing structure,

or an addition to an existing structure

that does not increase the floor area by

more than 100 percent.

State has the meaning given it in sec-

ty, village, or other general purpose po-

litical subdivision of a State; Guam,

the Northern Mariana Islands, the Vir-

gin Islands, American Samoa, the Fed-

erated States of Micronesia and Palau,

the Marshall Islands, or a general pur-

pose political subdivision thereof; and

any agency or instrumentality thereof

that is established pursuant to legisla-

tion and designated by the chief execu-

tive to act on behalf of the jurisdic-

tion with regard to provisions of the Na-

tional Affordable Housing Act.

Subpart B—Formula Entitlements

§ 574.100 Eligible applicants.

(a) Eligible States and qualifying cit-

ties, as defined in §574.3, qualify for for-

mula allocations under HOPWA.

(b) HUD will notify eligible States

and qualifying cities of their formula

eligibility and allocation amounts and

EMSA service areas annually.

§ 574.110 Overview of formula alloca-

tions.

The formula grants are awarded upon

submission and approval of a consoli-

dated plan, pursuant to 24 CFR part 91,

that covers the assistance to be pro-

vided under this part. Certain states

and cities that are the most populous

unit of general local government in eli-

gible metropolitan statistical areas

will receive formula allocations based

on their State or metropolitan popu-

lation and proportionate number of

cases of persons with AIDS. They will

receive funds under this part (providing

they comply with 24 CFR part 91) for

eligible activities that address the

housing needs of persons with AIDS or

related diseases and their families (see

§574.130(b)).

§ 574.120 Responsibility of applicant to

serve EMSA.

The EMSA’s applicant shall serve eli-

gible persons who live anywhere within

the EMSA, except that housing assist-

ance shall be provided only in local-

ities within the EMSA that have a con-

solidated plan prepared, submitted, and

approved in accordance with 24 CFR

part 91 that covers the assistance to be
§ 574.130 Formula allocations.

(a) Data sources. HUD will allocate funds based on the number of cases of acquired immunodeficiency syndrome reported to and confirmed by the Director of the Centers for Disease Control, and on population data provided by the U.S. Census. The number of cases of acquired immunodeficiency syndrome used for this purpose shall be the number reported as of March 31 of the fiscal year immediately preceding the fiscal year for which the amounts are appropriated and allocated.

(b) Distribution of appropriated funds for entitlement awards.

(1) Seventy-five percent of the funds allocated under the formula is distributed to qualifying cities and eligible States, as described in §574.100, based on each metropolitan statistical area’s or State’s proportionate share of the cumulative number of AIDS cases in all eligible metropolitan statistical areas and eligible States.

(2) The remaining twenty-five percent is allocated among qualifying cities, but not States, where the per capita incidence of AIDS for the year, April 1 through March 31, preceding the fiscal year for which the amounts are appropriated is higher than the average for all metropolitan statistical areas with more than 500,000 population. Each qualifying city’s allocation reflects its EMSA’s proportionate share of the high incidence factor among EMSA’s with higher than average per capita incidence of AIDS. The high incidence factor is computed by multiplying the population of the metropolitan statistical area by the difference between its twelve-month-per-capita-incidence rate and the average rate for all metropolitan statistical areas with more than 500,000 population. The EMSA’s proportionate share is determined by dividing its high incidence factor by the sum of the high incidence factors for all EMSA’s with higher than average per capita incidence of AIDS.

(c) Minimum grant. No grant awarded under paragraph (b) of this section shall be less than $200,000. Therefore, if the calculations under paragraph (b) of this section would result in any eligible metropolitan statistical area or eligible State receiving less than $200,000, the amount allocated to that entity is increased to $200,000 and allocations to entities in excess of $200,000 are proportionately reduced by the amount of the increase.

§ 574.190 Reallocation of grant amounts.

If an eligible State or qualifying city does not submit a consolidated plan in a timely fashion, in accordance with 24 CFR part 91, that provides for use of its allocation of funding under this part, the funds allocated to that jurisdiction will be added to the funds available for formula allocations to other jurisdictions in the current fiscal year. Any formula funds that become available as a result of deobligations or the imposition of sanctions as provided for in §574.540 will be added to the funds available for formula allocations in the next fiscal year.

[57 FR 61740, Dec. 28, 1992, as amended at 60 FR 1918, Jan. 5, 1995]

Subpart C—Competitive Grants

§ 574.200 Amounts available for competitive grants.

(a) The Department will set aside 10 percent of the amounts appropriated under this program to fund on a competitive basis:

(1) Special projects of national significance; and

(2) Other projects submitted by States and localities that do not qualify for formula grants.

(b) Any competitively awarded funds that become available as a result of deobligations or the imposition of sanctions, as provided in §574.540, will be added to the funds available for competitive grants in the next fiscal year.

(c) The competitive grants are awarded based on applications, as described in subpart C of this part, submitted in
response to a Notice of Funding Availability published in the Federal Register. All States and units of general local government and nonprofit organizations are eligible to apply for competitive grants to fund projects of national significance. Only those States and units of general local government that do not qualify for formula allocations are eligible to apply for competitive grants to fund other projects.

(d) If HUD makes a procedural error in a funding competition that, when corrected, would warrant funding of an otherwise eligible application, HUD will select that application for potential funding when sufficient funds become available.

§ 574.210 Eligible applicants.

(a) All States, units of general local government, and nonprofit organizations, may apply for grants for projects of national significance.

(b) Only those States and units of general local government that do not qualify for formula grants, as described in §574.100, may apply for grants for other projects as described in §574.200(a)(2).

(c) Except for grants for projects of national significance, nonprofit organizations are not eligible to apply directly to HUD for a grant but may receive funding as a project sponsor under contract with a grantee.

§ 574.240 Application requirements.

Applications must comply with the provisions of the Department’s Notice of Funding Availability (NOFA) for the fiscal year published in the Federal Register in accordance with 24 CFR part 12. The rating criteria, including the point value for each, are described in the NOFA, including criteria determined by the Secretary.

§ 574.260 Amendments.

(a) After an application has been selected for funding, any change that will significantly alter the scope, location, service area, or objectives of an activity or the number of eligible persons served must be justified to HUD and approved by HUD. Whenever any other amendment to the application is made, the grantee must provide a copy to HUD.

(b) Each amendment request must contain a description of the revised proposed use of funds. Funds may not be expended for the revised proposed use of funds until:

(1) HUD accepts the revised proposed use; and

(2) For amendments to acquire, rehabilitate, convert, lease, repair or construct properties to provide housing, an environmental review of the revised proposed use of funds has been completed in accordance with §574.510.

(Approved by the Office of Management and Budget under control number 2506-0133)
§ 574.300

(3) Acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services;

(4) New construction (for single room occupancy (SRO) dwellings and community residences only);

(5) Project- or tenant-based rental assistance, including assistance for shared housing arrangements;

(6) Short-term rent, mortgage, and utility payments to prevent the homelessness of the tenant or mortgagee of a dwelling;

(7) Supportive services including, but not limited to, health, mental health, assessment, permanent housing placement, drug and alcohol abuse treatment and counseling, day care, personal assistance, nutritional services, intensive care when required, and assistance in gaining access to local, State, and Federal government benefits and services, except that health services may only be provided to individuals with acquired immune deficiency syndrome or related diseases and not to family members of these individuals;

(8) Operating costs for housing including maintenance, security, operation, insurance, utilities, furnishings, equipment, supplies, and other incidental costs;

(9) Technical assistance in establishing and operating a community residence, including planning and other pre-development or pre-construction expenses and including, but not limited to, costs relating to community outreach and educational activities regarding AIDS or related diseases for persons residing in proximity to the community residence;

(10) Administrative expenses:

(i) Each grantee may use not more than 3 percent of the grant amount for its own administrative costs relating to administering grant amounts and allocating such amounts to project sponsors; and

(ii) Each project sponsor receiving amounts from grants made under this program may use not more than 7 percent of the amounts received for administrative costs.

(11) For competitive grants only, any other activity proposed by the applicant and approved by HUD.

(c) Faith-based activities. (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOPWA program. Neither the Federal government nor a State or local government receiving funds under HOPWA programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(2) Organizations that are directly funded under the HOPWA program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) An organization that participates in the HOPWA program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOPWA funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide HOPWA-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOPWA-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(4) An organization that participates in the HOPWA program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) HOPWA funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent
that those structures are used for inherently religious activities. HOPWA funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOPWA funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOPWA funds in this part. Sanctuaries, chapels, or other rooms that a HOPWA-funded religious congregation uses as its principal place of worship, however, are ineligible for HOPWA-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 574.310 General standards for eligible housing activities.

All grantees using grant funds to provide housing must adhere to the following standards:

(a)(1) General. The grantee shall ensure that qualified service providers in the area make available appropriate supportive services to the individuals assisted with housing under this subpart. Supportive services are described in §574.300(b)(7). For any individual with acquired immunodeficiency syndrome or a related disease who requires more intensive care than can be provided in housing assisted under this subpart, the grantee shall provide for locating a care provider who can appropriately care for the individual and referring the individual to the care provider.

(2) Payments. The grantee shall ensure that grant funds will not be used to make payments for health services for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to that item or service:

(i) Under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(ii) By an entity that provides health services on a prepaid basis.

(b) Housing quality standards. All housing assisted under §574.300(b) (3), (4), (5), and (8) must meet the applicable housing quality standards outlined below.

(1) State and local requirements. Each recipient of assistance under this part must provide safe and sanitary housing that is in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the housing is located regarding the condition of the structure and the operation of the housing.

(2) Habitability standards. Except for such variations as are proposed by the locality and approved by HUD, recipients must meet the following requirements:

(i) Structure and materials. The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from hazards.

(ii) Access. The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.

(iii) Space and security. Each resident must be afforded adequate space and security for themselves and their belongings. An acceptable place to sleep must be provided for each resident.

(iv) Interior air quality. Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.

(v) Water supply. The water supply must be free from contamination at
levels that threaten the health of individuals.

(vi) Thermal environment. The housing must have adequate heating and/or cooling facilities in proper operating condition.

(vii) Illumination and electricity. The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliance while assuring safety from fire.

(viii) Food preparation and refuse disposal. All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.

(ix) Sanitary condition. The housing and any equipment must be maintained in sanitary condition.

(c) Minimum use period for structures.

(1) Any building or structure assisted with amounts under this part must be maintained as a facility to provide housing or assistance for individuals with acquired immunodeficiency syndrome or related diseases:

(i) For a period of not less than 10 years, in the case of assistance provided under an activity eligible under §574.300(b) (3) and (4) involving new construction, substantial rehabilitation or acquisition of a building or structure; or

(ii) For a period of not less than 3 years in the cases involving non-substantial rehabilitation or repair of a building or structure.

(2) Waiver of minimum use period. HUD may waive the minimum use period of a building or structure as stipulated in paragraph (c)(1) of this section if the grantee can demonstrate, to the satisfaction of HUD, that:

(i) The assisted structure is no longer needed to provide supported housing or assistance, or the continued operation of the structure for such purposes is no longer feasible; and

(ii) The structure will be used to benefit individuals or families whose incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, if the Secretary finds that such variations are necessary because of construction costs or unusually high or low family incomes.

(d) Resident rent payment. Except for persons in short-term supported housing, each person receiving rental assistance under this program or residing in any rental housing assisted under this program must pay as rent, including utilities, an amount which is the higher of:

(1) 30 percent of the family's monthly adjusted income (adjustment factors include the age of the individual, medical expenses, size of family and childcare expenses and are described in detail in 24 CFR 5.609). The calculation of the family's monthly adjusted income must include the expense deductions provided in 24 CFR 5.611(a), and for eligible persons, the calculation of monthly adjusted income also must include the disallowance of earned income as provided in 24 CFR 5.617, if applicable;

(2) 10 percent of the family's monthly gross income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family's actual housing costs, is specifically designated by the agency to meet the family's housing costs, the portion of the payment that is designated for housing costs.

(e) Termination of assistance—(1) Surviving family members. With respect to the surviving member or members of a family who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death, housing assistance and supportive services under the HOPWA program shall continue for a grace period following the death of the person with AIDS. The grantee or project sponsor shall establish a reasonable grace period for continued participation by a surviving family member, but that period may not exceed one year from the death of the family member with AIDS. The grantee or project sponsor shall notify the family of the duration of their grace period and may assist the family with information on other available housing programs and with moving expenses.
Violation of requirements—(i) Basis. Assistance to participants who reside in housing programs assisted under this part may be terminated if the participant violates program requirements or conditions of occupancy. Grantees must ensure that supportive services are provided, so that a participant’s assistance is terminated only in the most severe cases.

(ii) Procedure. In terminating assistance to any program participant for violation of requirements, grantees must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process at minimum, must consist of:

(A) Serving the participant with a written notice containing a clear statement of the reasons for termination;

(B) Permitting the participant to have a review of the decision, in which the participant is given the opportunity to confront opposing witnesses, present written objections, and be represented by their own counsel, before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(C) Providing prompt written notification of the final decision to the participant.

(Paragraph (c) approved by the Office of Management and Budget under control number 2506-0133)

§ 574.320 Additional standards for rental assistance.

(a) If grant funds are used to provide rental assistance, the following additional standards apply:

(1) Maximum subsidy. The amount of grant funds used to pay monthly assistance for an eligible person may not exceed the difference between:

(i) The lower of the rent standard or reasonable rent for the unit; and

(ii) The resident’s rent payment calculated under §574.310(d).

(2) Rent standard. The rent standard shall be established by the grantee and shall be no more than the published section 8 fair market rent (FMR) or the HUD-approved community-wide exception rent for the unit size. However, on a unit by unit basis, the grantee may increase that amount by up to 10 percent for up to 20 percent of the units assisted.

(3) Rent reasonableness. The rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units.

(b) With respect to shared housing arrangements, the rent charged for an assisted family or individual shall be in relation to the size of the private space for that assisted family or individual in comparison to other private space in the shared unit, excluding common space. An assisted family or individual may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements shall be voluntary.

§ 574.330 Additional standards for short-term supported housing.

Short-term supported housing includes facilities to provide temporary shelter to eligible individuals as well as rent, mortgage, and utilities payments to prevent the homelessness of the tenant or mortgagor of a dwelling may not be provided to such an individual for costs accruing over a period of more than 21 weeks in any 52 week period. These limitations do not apply to rental assistance provided under §574.300(b)(5).

(a) Time limits. (1) A short-term supported housing facility may not provide assistance to any individual for more than 60 days during any six month period. Rent, mortgage, and utilities payments to prevent the homelessness of the tenant or mortgagor of a dwelling may not be provided to such an individual for these costs accruing over a period of more than 21 weeks in any 52 week period. These limitations do not apply to rental assistance provided under §574.300(b)(5).

(2) Waiver of time limitations. HUD may waive, as it determines appropriate, the limitations of paragraph (a)(1) and will favorably consider a
waiver based on the good faith effort of a project sponsor to provide permanent housing under subsection (c).

(b) Residency limitations—(1) Residency. A short-term supported facility may not provide shelter or housing at any single time for more than 50 families or individuals;

(2) Waiver of residency limitations. HUD may waive, as it determines appropriate, the limitations of paragraph (b)(1) of this section.

(c) Placement. A short-term supported housing facility assisted under this part must, to the maximum extent practicable, provide each individual living in such housing the opportunity for placement in permanent housing or in a living environment appropriate to his or her health and social needs.

(d) Assistance to continue independent living. In addition to the supportive services provided when an individual is relocated to a short-term supported housing facility, supportive services may be provided to individuals when they remain in their residence because the residence is appropriate to the needs of the individual. In the latter case, a rent, mortgage and utilities payments program assisted under this part shall provide, when reasonable, supportive services specifically designed to maintain the individual in such residence.

(e) Case management services. A program assisted under this section shall provide each assisted individual with an opportunity, if eligible, to receive case management services from the appropriate social service agencies.

(Paragraph (b) approved by the Office of Management and Budget under control number 2506–0133)

§ 574.340 Additional standards for community residences.

(a) A community residence is a multiunit residence designed for eligible persons to provide a lower cost residential alternative to institutional care; to prevent or delay the need for such care; to provide a permanent or transitional residential setting with appropriate services to enhance the quality of life for those who are unable to live independently; and to enable such persons to participate as fully as possible in community life.

(b) If grant funds are used to provide a community residence, except for planning and other expenses preliminary to construction or other physical improvement for a community residence, the grantee must, prior to the expenditure of such funds, obtain and keep on file the following certifications:

(1) A services agreement. (i) A certification that the grantee will itself provide services as required by §574.310(a) to eligible persons assisted by the community residence; or

(ii) A certification that the grantee has entered into a written agreement with a project sponsor or contracted service provider to provide services as required by §574.310(a) to eligible persons assisted by the community residence;

(2) The adequacy of funding. (i) A certification that the grantee has acquired sufficient funding for these services; or

(ii) A certification that the grantee has on file an analysis of the service level needed for each community residence, a statement of which grantee agency, project sponsor, or service provider will provide the needed services, and a statement of how the services will be funded; and

(3) Capability. (i) A certification that the grantee is qualified to provide the services; or

(ii) A certification that the project sponsor or the service provider is qualified to provide the services.

(Paragraph (a) approved by the Office of Management and Budget under control number 2506–0133)

§ 574.400 Prohibition of substitution of funds.

Amounts received from grants under this part may not be used to replace other amounts made available or designated by State or local governments through appropriations for use for the purposes of this part.
§ 574.410 Capacity.

Subpart F—Grant Administration

§ 574.500 Responsibility for grant administration.
(a) General. Grantees are responsible for ensuring that grants are administered in accordance with the requirements of this part and other applicable laws. Grantees are responsible for ensuring that their respective project sponsors carry out activities in compliance with all applicable requirements.
(b) Grant agreement. The grant agreement will provide that the grantee agrees, and will ensure that each project sponsor agrees, to:
(1) Operate the program in accordance with the provisions of these regulations and other applicable HUD regulations;
(2) Conduct an ongoing assessment of the housing assistance and supportive services required by the participants in the program;
(3) Assure the adequate provision of supportive services to the participants in the program;

(c) Enforcement. HUD will enforce the obligations in the grant agreement in accordance with the provisions of 24 CFR 85.43. A grantee will be provided an opportunity for informal consultation before HUD will exercise any remedies authorized in paragraph (a) of that section.

§ 574.510 Environmental procedures and standards.

Subpart G—Other Federal Requirements

§ 574.600 Cross-reference.

The Federal requirements set forth in 24 CFR part 5 apply to this program as specified in this subpart.

[61 FR 5209, Feb. 9, 1996]

§ 574.603 Nondiscrimination and equal opportunity.

Within the population eligible for this program, the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5 and the following requirements apply:

(a) Fair housing requirements. (1) Grantees and project sponsors shall comply with the applicable provisions of the Americans with Disabilities Act (42 U.S.C. 12101–12213) and implementing regulations at 28 CFR part 35 (States and local government grantees)
and part 36 (public accommodations and requirements for certain types of short-term housing assistance).

(b) Affirmative outreach. A grantee or project sponsor must adopt procedures to ensure that all persons who qualify for the assistance, regardless of their race, color, religion, sex, age, national origin, familial status, or handicap, know of the availability of the HOPWA program, including facilities and services accessible to persons with a handicap, and maintain evidence of implementation of the procedures.

§ 574.605 Applicability of OMB circulars.

The policies, guidelines, and requirements of 24 CFR part 85 (codified pursuant to OMB Circular No. A–102) and OMB Circular No. A–87 apply with respect to the acceptance and use of funds under the program by States and units of general local government, including public agencies, and Circulars Nos. A–110 and A–122 apply with respect to the acceptance and use of funds under the program by private non-profit entities. (Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 285-7302. (This is not a toll-free number.) There is a limit of two free copies.

§ 574.625 Conflict of interest.

(a) In addition to the conflict of interest requirements in OMB Circular A–102 and 24 CFR 85.36(b)(3), no person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee or project sponsor and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter.

(b) Exceptions: Threshold requirements. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (a) of this section when it determines that the exception will serve to further the purposes of the HOPWA program and the effective and efficient administration of the recipient’s program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient’s attorney that the interest for which the exception is sought would not violate State or local law.

(c) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (b) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(2) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person
§ 574.630 Displacement, relocation and real property acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, grantees and project sponsors must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) Relocation assistance for displaced persons. A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601–4655) and implementing regulations at 49 CFR part 24.

(c) Real property acquisition requirements. The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) Appeals. A person who disagrees with the grantee's or project sponsor's determination concerning whether the person qualifies as a “displaced person,” or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A low-income person who is dissatisfied with the grantee's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(e) Responsibility of grantee. (1) Each grantee shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party's contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with funds available from other sources.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with these provisions.

(f) Definition of displaced person. (1) For purposes of this section, the term “displaced person” means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. This includes any permanent, involuntary move for an assisted project including any permanent move from the real property that is made:

(i) After notice by the grantee, project sponsor, or property owner to move permanently from the property, if the move occurs on or after the date that the grantee submits to HUD an application for assistance that is later approved and funded;

(ii) Before the submission of the application to HUD, if the grantee, project sponsor, or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project; or

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(A) The tenant moves after the “initiation of negotiations” and the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant's monthly rent before the initiation of negotiations and estimated average utility costs, or

(2) 30 percent of gross household income; or

was in a position as described in paragraph (a) of this section;

(5) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(6) Any other relevant considerations.
(B) The tenant is required to relocate temporarily, does not return to the building/complex and either:
(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or
(2) Other conditions of the temporary relocation are not reasonable; or
(C) The tenant is required to move to another unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:
(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation or applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purposes of evading the obligation to provide relocation assistance;
(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any assistance provided under this section), if the project is approved;
(iii) The person is ineligible under 49 CFR 24.2(g)(2); or
(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The grantee or project sponsor may request, at any time, HUD’s determination of whether a displacement is or would be covered under this section.

(g) Definition of initiation of negotiations. For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term “initiation of negotiations” means the execution of the agreement between the grantee and the project sponsor.

(b) The grantee will ensure that flood insurance on the structure is obtained in compliance with section 102(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.).

§ 574.645 Coastal barriers.

In accordance with the Coastal Barrier Resources Act, 16 U.S.C. 3501, no financial assistance under this part may be made available within the Coastal Barrier Resources System.

§ 574.650 Audit.

The financial management system used by a State or unit of general local government that is a grantee must provide for audits in accordance with 24 CFR part 44. A nonprofit organization that is a grantee or a project sponsor is subject to the audit requirements set forth in 24 CFR part 45.

§ 574.655 Wage rates.

The provisions of the Davis-Bacon Act (40 U.S.C. 276a–276a-5) do not apply
to this program, except where funds received under this part are combined with funds from other Federal programs that are subject to the Act.
